Air Distribution • Applied • Controls • Industrial

Manufacturers & Products

Represented with Expertise

Air Distribution

Thermal VAV Diffusers
Electric VAV Diffusers

Air Nozzles
Drum Louvers
Jet Nozzles

Hazardous Gas Monitors
Gas Sensors and Transmitters

Vehicle Exhaust
Welding And Fume Capture

Inline Duct Fans
Iris Dampers
Industrial Fans

Fabric Duct Diffusers
Underfloor Air Distribution

Flexible Duct
Sheetmetal Fittings

Dedicated OA Systems
Dampers & Louvers
HVLS Fans
Laboratory Exhaust Systems
Centrifugal And Axial Fans

Duct Hanger
Metal Deck Inserts

Vertical Stack Fan Coils
Horizontal Ceiling Fan Coils
Blower Coil Units

Vibration Isolation
Sound Dampening

Double Wall Duct
Flat Oval Duct
Spiral Mount Registers

Cable Operated Remote Dampers
Battery Powered Remote Dampers

Extraction Arms
Emergency Vehicle Exhaust
Oil Mist Collection

Electric Humidifiers
Direct Steam Humidifiers
Gas Fired Humidifiers
Electric Duct Coils

Polypropylene Fans & Blowers

Grilles, Registers & Diffusers
Chilled Beams
OR Ceiling Systems
VAV Boxes
Displacement Diffusers

Absorptive Silencers
Acoustic Louvers
Acoustic Panels
Custom Acoustical Enclosures

Electric Wall & Unit Heaters
Baseboard Heaters
Air Curtains

Industrial Make Up Air Units
Split Condensers

Electric Wall & Unit Heaters
Air Curtains

Infrared Heaters
Electric Heaters
Air Curtains

Fiberglass Duct
FRP Dampers

Kitchen Exhaust Scrubbers
Oil and Mist Collection

Heat Pipe Energy Recovery
Wrap Around Heat Pipes
Passive Split Heat Exchangers

Vertical Unit Ventilators
Under-window Unit Ventilators
Ductless Heating/Cooling units

Desiccant Dehumidifiers
Commercial Dehumidifiers

Water Cooled Chillers
Air Cooled Chillers
Modular & Custom AHU
Applied Packaged RTU's

Air Cooled Modular Chillers
Water Cooled Modular Chillers
Heat Recovery Chillers

Custom Air Handlers
Site Assembled Air Handlers
Energy Recovery Units

Water-to Air Heat Pumps
Vertical Stack Units
Water-to-Water Heat Pumps
Console Units

Pool Dehumidification Units

Central Station Air Handling Units
Air Cooled Chillers
Water Cooled Chillers
Ice Thermal Storage Systems

Custom Air Handler Units
Direct Evaporative Cooling Units
Indirect Evaporative Cooling Units

Dedicated OA Systems
Energy Recovery Ventilators

Fan Coil Piping Packages
Water Source Heat Pump Hose Kits
Automatic Balancing Valves

Vibration Isolation
Sound Dampening

Air Cooled Process Chillers
Water Cooled Process Chillers
Tank and Pumping Packages

Air & Water Source VRF
Low/ High Static Ducted Fan Coils
4-way Ceiling Cassette
Multisite VM3 Controller

Packaged, 0-100% OA Liquid
Desiccant Dehumidification Rooftops

Fiberglass Cooling Towers
Fluid Coolers

RegenCore Energy Recovery Units
Custom Air Handlers
Industrial Make Up Air Units

Modular Air Handling Units
Energy Recovery Units

Applied

Controls

IAQ Monitoring
Demand Control Ventilation

Room Pressure Monitors
Touchscreen Fume hood Controller
Venturi Valves
Venturi Valve Retrofit

Hazardous Gas Monitors
Gas Sensors and Transmitters

Variable Frequency Drives

Starters
Variable Frequency Drives

Airflow Monitoring
Fan Array Airflow Totalizing

Industrial

Mist Collection Systems
Downdraft Tables

Cyclone Dust Collectors
Baghouse Dust Collectors
Downdraft Tables
Mist Collection Systems

Dry Dust and Fume Collection
Dust Collector Filters
Machine Mist Collection
Explosion Protection Systems

VFD Drives
Smart & Standalone Gates
Control Units
Cables, Sensors, & Flange Rings

Control & Backdraft Dampers
Pressure Relief Dampers
Tunnel Dampers
Blast Suppression Dampers

Material Handling Fans
Industrial Centrifugal Fans
Industrial Dampers

Air Filtering Units
Extraction Arms
Industrial Fans

Material Handling Hose
High Temperature Hose

Quick Fit Pipe and Clamps
Blast Gates
Flanged Ducting

Baghouse Dust Collectors
Cartridge Collectors
Cyclone Collectors

Quick Fit Pipe and Clamps
Blast Gates
Flanged Ducting
